

Public & Products Liability & Statutory & Employer Liability

Quoting Guidelines

Requests for new trades and occupations

Please bear in mind we cannot help with hard to place risks - this is designed to be a simple product for less complicated trades and occupations

To request a new trade or occupation please use the online referral function or contact info@protecsure.co.nz

We are not able to offer terms on

Clients with turnover greater than \$2.5m during the policy period, or with more than 10 employees (including principals and sub-contractors)

Can an insured have multiple trades or occupations?

If a business has more than one occupation type, e.g. carpenter & landscape gardener, please refer the quote to Protecsure for terms.

Claims History

- We can review by referral clients that have had a liability claim or circumstance under \$5k within the last 5 years. We are not able to offer terms if records exceeds this.
